PROFILE

Hi I'm Oei, Christopher Bryant Widyanata, a Computer Science major student at Bina Nusantara University. I have interest in website development and new things. I have experience in various languages and how to implement them in my project. I also have a goal to learn new things for the future.

STUDY EXPERIENCE

HIMTI BINUS@Semarang Presents: Nov 2024 - Dec 2024
The EPIC Vision Seminar

Vice Chairman & Secretary

- To develop and monitor the performance of each division to ensure the successful execution of the scheduled seminar.
- To relay commands and messages from the chairman to the respective divisions.
- To arrange the seminar rehearsal schedule and oversee the seminar's progress to deliver the best possible outcome.

Oikumene Student Organization Dec 2023 - Present
BINUS@Semarang

Member of the Documentation Division

- **Early Responsibilities:**
 1. Documenting planned fellowship and worship events.
 2. Editing videos to create recap content for designated events.
- **Current Responsibilities:**
 1. Serving as a multimedia operator.

Group Project: Machine Learning Mar 2025 - May 2025
Research Paper
Paper Author

- Authored a research paper on enhancing e-commerce recommendation systems using Deep Learning via Natural Language Processing (NLP). Compared various models to serve as a reference for selecting the best model for this project, a task also documented within the research paper.
